

Bidder's Guide for ATP II Portal

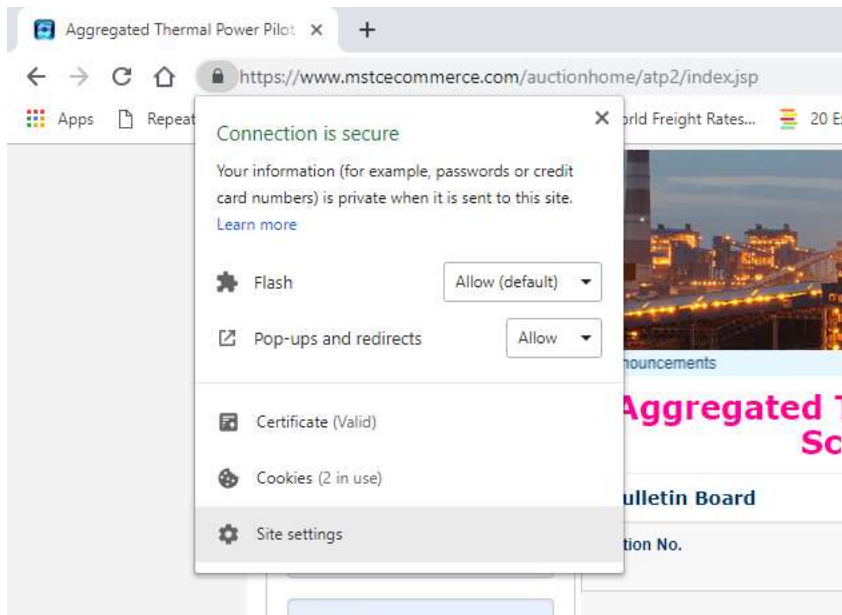

Portal address: <https://www.mstcecommerce.com/auctionhome/atp2/index.jsp>

To be used in Chrome Browser.

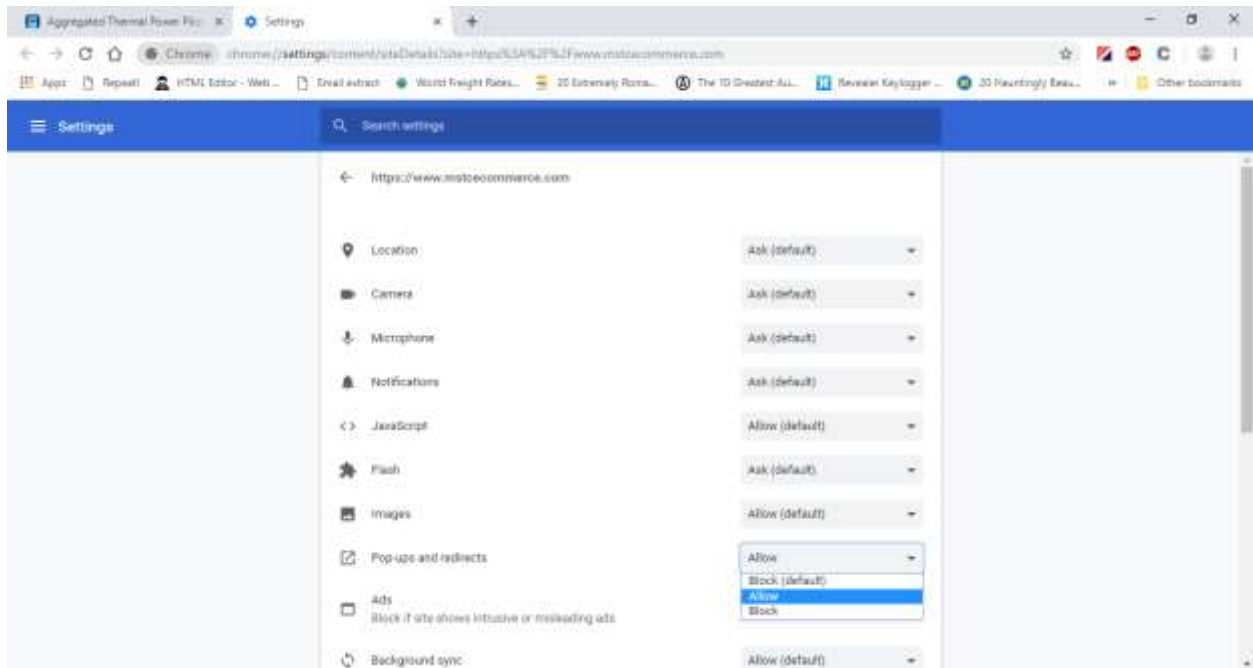

Settings on the page:

Click on the lock on the left side and go to site settings:

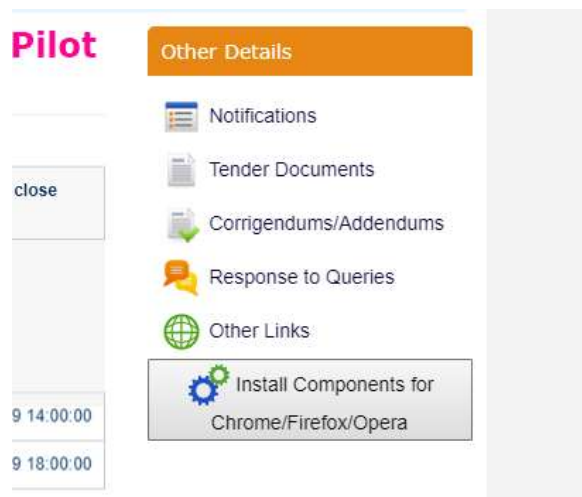

On the settings page allow pop-ups and redirects:

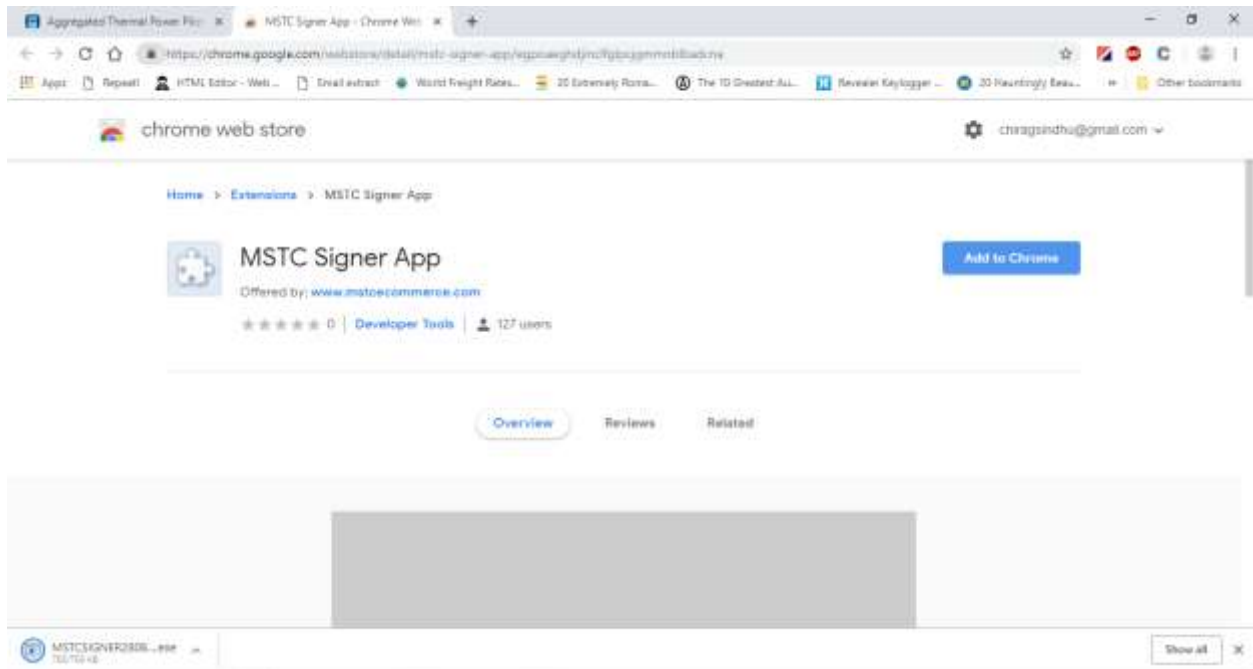

Once done, restart the browser.

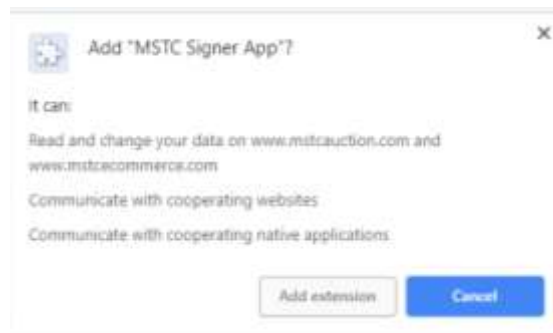

Now click on install components button:

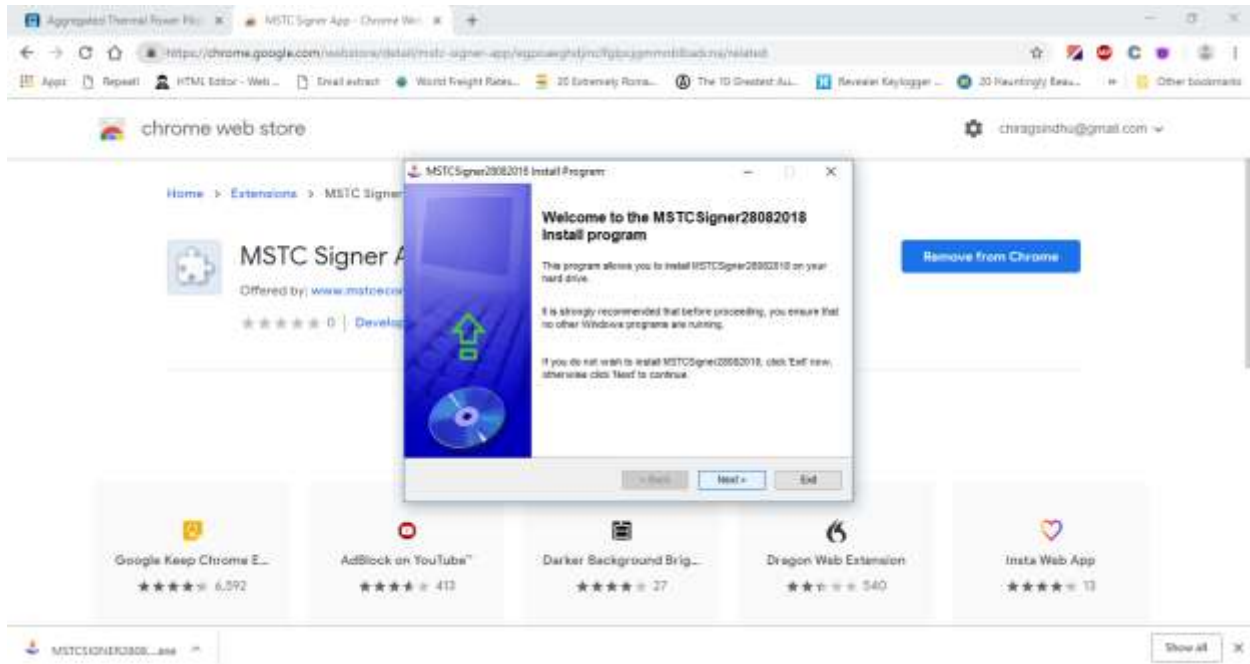

Herein a new window will open to add the MSTC Signer app to chrome and an exe file for signed utility will be downloaded.

Click on Add to chrome button:

Once the signer app is added, click on exe file in downloads to install the signed utility:

Install the utility and restart the system to continue.

Now go to ATP II page: <https://www.mstcecommerce.com/auctionhome/atp2/index.jsp> and login with your username and password:

If the username and password is correct system will ask to verify DSC:

Once the DSC is verified, success message will appear:

Click ok to proceed.

Go to the bid floor:

Click on the event no to participate:

For e-Tenders submit the payment details, technical bid, initial price offer and attach documents as per details displayed therein

PAYMENT DETAILS

Technical Bid	Initial Price Offer	Attach Docs	Bid Status
Technical Bid	Initial Price Offer	Attach Docs	Bid submitted

Final Submission

Withdraw Bid Delete Bid

Time for bid submission:

- First enter the Payment Details.
- Then fill up the Technical Bid.
- Then fill up the Initial Price Offer (IPO). IPO once submitted can't be changed unless the bid is deleted after Final Submission.
- Attach documents, if any, through Attach Docs link.
- Thereafter make Final Submission. Withdraw Bid and Delete Bid buttons will appear only after Final Submission is done.

Once all details are submitted, click on final submit to finally submit the bid.

Please note that bids that are not finally submitted will not be considered for evaluation.

A bidder may delete bid to delete their bid and resubmit, if the bidder withdraws bid then they will not be able to participate further.

For any assistance during bid submission, system settings etc. bidders may contact at MSTC:
